No. AAI/M(Plg.)/Tech-Inst/2008

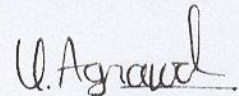

September 9 , 2008

TECHNICAL INSTRUCTION No. 22.

The Govt. Audit in its report No. 17 of 2007 (Performance Audit) has suggested certain recommendations on the review of infrastructure and operational facilities of AAI for the period 2000-01 to 2005-06.

It is, therefore, enjoined upon to all concerned to follow, the following recommendations of the Govt. Audit in future:

1. Keeping in view of the provisions in Para 14.7 of the Infrastructure Policy, it may be ensured that wherever non-viable projects are taken up for fulfilment of social objectives, the initial cost of the project and the recurring annual loss sustained by the Authority on this account would be reimbursed by the Govt. Necessary efforts will be made in this regard and assistance of Ministry of Civil Aviation will be sought in such cases. *ED(Engg.) in coordination with ED(Planning) shall take all necessary action in this regard.*
2. Pre commissioning activities should be assessed and time limits fixed for each activity to synchronize various activities in projects and to avoid time and cost overrun in all future works. *The project in-charge will ensure all activities are adequately coordinated with ED(Engg.) / ED(Plg.) / ED(CNSP) and other directorates for smooth implementation.*
3. Project sites should be ready before receipt of equipment. *ED(Engg.) / ED(CNSP) shall ensure in co-ordination with Airport In-charge that project sites are ready before award of work.*
4. Availability of aerobridges and flight information system should be ensured. *ED(Engg.) and ED(CNSP) will ensure to synchronize the procurement / availability of Aerobridges and FIDS at site.*
5. ICAO level standards of safety should be maintained at the airports. *ED(Aviation Safety) in coordination with ED(Planning) and ED(CNSP) shall ensure the ICAO level safety standards at airports are maintained.*
