**TECHNICAL INSTRUCTION NO. 29**

**Sub:-Submission of EMD along with Tender Documents.**

During Intensive examination of a work, Vigilance Directorate has observed that EMD was asked along with the application for issue of tender document which is in violation of provision contained in clause No. 28.2.2. on page No. 95 of Engineering Works Manual. It is further observed that, EMD was asked in the form of DD along with application in the NIT, whereas in the Schedule 'E' of the tender form, EMD was asked in the form of DD/FDR/BG. Thus, there being a contradictory provision in the same tender.

It is enjoined upon all concerned, that the Earnest Money Deposit should not be asked from the applicants along with the application for issue of the tender document. EMD should be accepted along with the tender at the time of tender submission in the form as described in clause No. 29.4 on page 108 of Engineering Works Manual.

It is also emphasized that the Technical Instruction No. 91R1 and Engineering Works Manual para No. 29.4 should be followed meticulously with due diligence.
