**Sub: Proposal regarding restructuring / reorganization of Departments-
Electronics, Technical, Communication, Equipment, CNS –
Planning.**

The proposal regarding restructuring / reorganization of certain Departments in AAI i.e., Electronics, Technical, Communication, Equipment, CNS – Planning, it has been consideration since some time in the past. In order to rationalise and integrate activities amongst various departments in two divisions, the following reorganization of the above departments be done with immediate effect :-

- i) ED(Ops) will look after terminal management of all airports and (Tech)/(Equipment) Departments and GM (Tech.) / GM (E&M) will also report to him. He will be assisted by GM level officer in charge of terminal management for non-metro Airports.
- ii) The fire service of Metro and non-Metro Airport would be under ED(ATM).
- iii) The position of FIU & RCDU is clubbed and there will be one post of ED(FIU)/ (RCDU).

: 2 :

- iv) The present set-up of GM(L) at Ops. Office looking after procurement, maintenance of electronic equipments like X-rays, FIDs & EDIs (for which a separate post is available), the work will be divided as under :
- a) One GM(L) will be incharge of procurement of all security equipments and other facilitation equipments required in terminal buildings and will report to ED(CNS-P).
 - b) One post to be operated at GM level or Jt. GM level, as per availability, will look after the maintenance and other functions in Electronics and will report to ED(CNS)/(Communication).
 - c) The existing EDI job will be handled by officers at the level of Jt. GM(L) and will report to ED(Cargo).
- v) The available post of ED(Tech) would revert back as ED(Engg.) and will be operated as per need.
