

PRESS RELEASE

AAI A TRULY CAREER ORIENTED ORGANIZATION HONOURS ITS PROFESSIONALS BY GIVING A BEFITTING WAGE PACKAGE

The Management of Airports Authority of India with the approval of Ministry of Civil Aviation has offered an attractive package to its employees to nurture and convert them into a highly motivated and professional team.

AAI has entered into the wage settlement for the non executives and has also decided the perks for the executives in one go as a morale booster among all the strata of employees to further take the organization to new heights.

The Human Resources strives to contribute in achieving the vision and mission of AAI in the challenging business scenario in the civil aviation and will prepare the organisation to face the competitiveness and generate revenues to meet the upcoming requirements for developing the civil aviation infrastructure for the country.

The wage signed today between the Management of Airports Authority of India and Employees' Union includes revision of pay scales and perquisites & allowances of non executives' within the ambit of Department of Public Enterprises (DPE) guidelines. The current wage settlement is for a period of 10 years which is effective from 01.01.2007 upto 31.12.2016. With the signing of agreement today a long pending issue has been resolved.

The executives also have been offered a package among the perquisites within the ambit of DPE guidelines which will improve the productivity.

The whole process of wage negotiations was personally overseen by Shri VP Agrawal, Chairman, AAI and with his constant monitoring and farsighted vision and with the successful steering on day to day basis undertaken by Shri S.C. Chhatwal, Member (Finance) and Shri KK Jha, Member (HR), AAI; the whole process has led us to achieve the excellence in AAI.
