FILE NO. AAI22-1/2005-ARI [OPS.]

DATE : 30/5/2006

I.O.N.

**SUB: SETTING UP OF FLYING CLUBS/ACADEMY AT VARIOUS PLACES IN INDIA –
INFORMATION TO BE PUT ON AAI WEBSITE.**

A decision has been taken that the applicants requiring NOC from Air Traffic Point of view from AAI for setting up of Flying Clubs/Academy at various places in India shall provide the following information to the AAI for examination of their request :-

1. Particulars of the specific aircraft to be used along with number and type of aircraft.
2. Place/Aerodrome where institute is to be established.
3. Requirement of adequate hanger space or suitable arrangement for accommodating the aircraft for maintenance. Adequate facilities for fire fighting and other safety equipment if place is other than AAI airport.
4. Requirement of land, accommodation for maintenance operations, office space at AAI aerodrome.
5. If AAI aerodrome is not there what are the facilities available at that place where institute require to be established.
6. In case land is available at AAI aerodrome plan to construct a new hanger, and other accommodation requirement.
7. Details of facilities, equipment, procedures and necessary manpower.

The above decision has been approved by the competent authority. It is requested that the above information may be put on the AAI website.
